DDTC Case CJ 026-04

APR 8 2004

YOUR LETTER DATED: December 13, 2003

**COMMODITY JURISDICTION DETERMINATION FOR:  
Advanced Propellant Formulation and Processing Course**

Your commodity jurisdiction (CJ) request was referred to the Departments of Commerce and Defense for review and recommendations. The Advanced Propellant Formulation and Processing Course given by the RCS Rocket Motor Components, Inc. Institute of Experimental Rocket Technology includes information related to formulating and processing military propellants.

The Department of State has determined that the **Advanced Propellant Formulation and Processing Course** given by **RCS Rocket Motor Components, Inc. Institute of Experimental Rocket Technology** is subject to the licensing jurisdiction of the **Department of State in accordance with the International Traffic in Arms Regulations (22 CFR 120 through 130)**. This item is designated as a defense article under **Category V(h) of the United States Munitions List**. Licenses issued by this office are required prior to export. Should you require further assistance on this matter, please contact Mary Ann Rashid at 202 663-2992 or [rashidma@state.gov](mailto:rashidma@state.gov).

Sincerely,

Robert W. Maggi  
Managing Director

A handwritten signature in black ink, appearing to read 'R. Maggi', written over a large, stylized flourish.
